(Approved by AICTE & Affiliated by ANNA UNIVERSITY,
Chennai.)

SRINIVASA NAGAR, KALAMAVUR,
PUDUKKOTTAI (Dt).

A Report on “IE Students’chapter-Civil Engineering” event on 09-08-2023 at Mookambigai College of Engineering, Kalamavur, Pudukkottai by INSTITUTION OF ENGINEERS(India) at Seminar Hall, RA Block.

Mookambigai College of Engineering, Kalamavur, Pudukkottai has taken initiative to inculcate and promote the technical instinct among the students and as a platform for the technical proceedings. S.Eunice, Co-ordinator, IE Students’ Chapter-Civil Engineering, Mookambigai College of Engineering, Kalamavur, Pudukkottai coordinated this event with team.

The welcome address was delivered by Mr.G.PRADEEP, HOD, CIVIL DEPARTMENT, Mookambigai College of Engineering, Kalamavur, Pudukkottai. S.Eunice, Co-ordinator, IE Students’ Chapter-Civil Engineering, Mookambigai College of Engineering, Kalamavur, Pudukkottai also delivered the address to the students on that day about IE chapter.

A special lecture on “**NDT analysis techniques and Concept of civil CAD softwares**” was addressed by **Mr.B.Lawrance/C.E.O/Aplus NDT/A+ CADD CENTER, Creative Innovation in Engineering, Coimbatore**. He has completed his B.E., He offered lot of Mechanical and Civil courses and softwares in this centre. He also undertake projects, analyze situations and provide expert advice to address various needs. The vote of thanks was given by the student Selvan.S.ThivinKumar, Final Year Student, Civil Engineering.

The main objective of the program was to provide right combination of Civil cad training software & concept and also about testing and analysis technique

used by industry to evaluate the properties of a material, component, structure or system for characteristic differences or welding defects and discontinuities without causing damage to the original part. He clearly explained an introduction to each of the NDT methods, the difference between NDT and destructive testing and the advantages of using this analysis technique.

The speaker related his own personal experience to the students, which means he can come from any kind of background and use that information to inspire others. He interacted with students and asked their problems. He gave the solutions for those problems with his experience. The speaker being a Mechanical Engineer gave examples of variety of manufacturing process and people who came up with those creative ideas and innovations. He also spoke about renowned successful people who started from scratch and created great identity for themselves.

The session also included videos which boosted up the new corners of the students. Students were highly delighted as the session was full of fun, energy and learning videos. Students from Civil department gave a feedback to point out the importance of the event .

A Report on “IE Students’ chapter-Civil Engineering” event on 12-03-2024 at Mookambigai College of Engineering, Kalamavur, Pudukkottai by INSTITUTION OF ENGINEERS(India) at Seminar Hall, RA Block.

Mookambigai College of Engineering, Kalamavur, Pudukkottai has taken initiative to inculcate and promote the technical instinct among the students and as a platform for the technical proceedings. S.Eunice, Co-ordinator, IE Students’ Chapter-Civil Engineering, Mookambigai College of Engineering, Kalamavur, Pudukkottai coordinated this event with team.

The welcome address was delivered by Mr.G.PRADEEP, HOD, CIVIL DEPARTMENT, Mookambigai College of Engineering, Kalamavur, Pudukkottai. S.Eunice, Co-ordinator, IE Students’ Chapter-Civil Engineering, Mookambigai College of Engineering, Kalamavur, Pudukkottai also delivered the address to the students on that day about IE chapter.

A special lecture on “**Job Awareness & Tekla Software**” was addressed by **Mr.N.Santhana Gopala Krishnan/Graphic designer & 3D modeller / Centre Director/TCIL-IT Education & Training centre (A Govt.of India Enterprise), Trichy.** He has completed his DME., He is an Associate member of the Institution of Engineers(AMIE). He worked as a centre head in APTECH. He worked in the teaching profession for more than twenty years. He is a highly experienced designer and trainer to develop the student’s computer skills but also their character as well. He is a highly creative and multi –talented designer with

extensive experience in education and training. The vote of thanks was given by the student Selvi R.Mahalakshmi, Final Year Student, Civil Engineering.

The main objective of the program was to provide constructive changes can make one brighter and more successful in their career and also about Tekla software enables users to create and manage 3D structural models in concrete or steel. He explained about the industry-leading 3D modelling Tekla software, the difference between AutoCAD and Tekla software and the advantages of using this software. He explained about the software which equips us with essential skills for efficient structural design, detailing and information management and also about the opportunities in structural engineering, enhancing our ability to create accurate, multi-material 3D models for construction projects.

He discussed the importance of positive thinking and attitude which brings optimism into life and also helped the students to be guided by a positive mind and driven by self motivation. The speaker being a Mechanical Engineer gave examples of variety of manufacturing process and people who came up with those creative ideas and innovations. He also spoke about renowned successful people who started from scratch and created great identity for themselves.

The session also included videos which boosted up the new corners of the students. Students were highly delighted as the session was full of fun, energy and learning videos. Students from Civil department gave a feedback to point out the importance of the event.
