# ABOUT

An entrepreneurship club is typically a student-run that focuses on promoting and supporting entrepreneurship. We often organize events, workshops, speaker sessions, and networking opportunities for aspiring entrepreneurs to learn, collaborate, and develop their entrepreneurial skills. We encourage our students in the club to participate in the development of a business, at minimum by learning from attending meetings, but ideally developing a start-up. We provide learning-by-doing environment where

students can cultivate their entrepreneurship skills. The club is also a place where people in the community can incubate a business idea, providing students with learning opportunities as the students help to develop the idea through the club.

### **VISION**

- ❖ Aspiring young business leaders will receive guidance from the Club to pursue their dream of entrepreneurship as undergraduates.

### **OBJECTIVES**

- ❖ To train students to have the appropriate business insights & entrepreneurial skills.
- ❖ To cultivate the entrepreneurial skills & values among students, in order to develop knowledgeable and enterprising graduates.
- ❖ Development of quality entrepreneurs who will be capable of competing in the local and global business industries.
- ❖ To inculcate a culture of innovation driven entrepreneurship through student projects.

### **MOTTO**

- ❖ Only you can limit yourself.

### **SCOPE**

- ❖ To organize entrepreneurship development and awareness program.
- ❖ To undertake research studies and identify technology areas having entrepreneurship opportunities.

An orientation program for ED-Club volunteers and members was organized on (27-08-2022) at the college. The program was organized with a aim to inspire and equip aspiring entrepreneurs with the knowledge and skills needed to start and grow successful business.

**ACTIVITIES AND AGENDA:**

- Welcome address by (R. Mahalakshmi/Civil/III year).
- Welcome and introduction to the program objectives.
- Keynote address by a successful entrepreneur. Panel discussion with experienced entrepreneurs on their journey and lessons learned.

- Workshops and interactive sessions on business planning, marketing, finance, and operations.
- Networking sessions and opportunities to connect with mentors and industry experts.
- Pitching sessions for participants to present their business ideas and receive feedback.
- Vote of thanks are present by (M. Keerthana/Civil/III year)

### **OUTCOMES OF THE PROGRAM:**

- Increased motivation and confidence among participants to pursue entrepreneurship.
- Enhanced understanding of the entrepreneurial process and key success factors.
- Acquisition of practical skills in business planning, marketing, finance and operations.
- Positive feedback and satisfaction from participants regarding the program content and organization.

## **CONCLUSION**

The Entrepreneurship Orientation program was successful in inspiring and equipping participants with the knowledge, skills, and connections necessary for entrepreneurial success. We believe that the program has laid a strong foundation for participants to embark on their entrepreneurial journey and make a positive impact in the business world.

## PPT PRESENTATION BY SPEAKER

### Objective:

The primary objective of conducting an awareness program on Entrepreneurship Development Club (EDC) at Sastra University, Thanjavur, under the coordination of Mr. M. Martin, Field Coordinator of EDII TN Hub, is to foster a culture of entrepreneurship among students and encourage them to explore entrepreneurial opportunities.

### Report Summary:

The awareness program on Entrepreneurship Development Club (EDC) was conducted at Sastra University, Thanjavur, with the aim of introducing students to the concept of entrepreneurship and the resources available through

the EDC. The program was organized by Mr. M. Martin, Field Coordinator of EDII TN Hub, in collaboration with the university authorities.

### **Activities Conducted:**

- **Introduction to Entrepreneurship:** The program commenced with a session introducing students to the fundamentals of entrepreneurship, emphasizing the importance of innovation, creativity, and problem-solving skills in the entrepreneurial journey.
- **Role of EDC:** A detailed presentation was delivered to highlight the role of the Entrepreneurship Development Club (EDC) in nurturing entrepreneurial talent among students. The various activities, workshops, and mentorship programs offered by the EDC were elucidated.
- **Success Stories:** Inspirational success stories of entrepreneurs were shared to motivate students and instill confidence in their entrepreneurial aspirations. These stories served as examples of how determination and perseverance can lead to entrepreneurial success.
- **Interactive Sessions:** Interactive sessions were conducted to encourage active participation from students. They were given the opportunity to ask questions, share their thoughts, and express their interest in joining the EDC.
- **Networking Opportunities:** The program also provided networking opportunities for students to connect with experienced entrepreneurs, mentors, and industry professionals. This facilitated knowledge exchange and potential collaboration for future entrepreneurial endeavors.

### **Benefits:**

**Enhanced Awareness:** The awareness program increased students' awareness and understanding of entrepreneurship as a viable career option. It helped them recognize their potential as future entrepreneurs.

- **Skill Development:** Students gained valuable insights into essential entrepreneurial skills such as leadership, communication, problem-solving, and critical thinking through the program sessions.
- **Resource Access:** By joining the Entrepreneurship Development Club (EDC), students gained access to a wide range of resources, including workshops, training programs, mentorship, and funding opportunities, to support their entrepreneurial ventures.
- **Inspiration and Motivation:** The program inspired and motivated students by showcasing real-life success stories of entrepreneurs who started from humble beginnings and achieved remarkable feats through their entrepreneurial endeavors.
- **Networking:** The networking opportunities provided during the program enabled students to build connections with established entrepreneurs, mentors, and industry experts, which can be invaluable for their future entrepreneurial journey.

## **Conclusion**

The awareness program on Entrepreneurship Development Club (EDC) at Sastra University, Thanjavur, led by Mr. M. Martin, aimed to ignite the entrepreneurial spirit among students and equip them with the necessary skills and resources to pursue their entrepreneurial aspirations successfully. It is hoped that through such initiatives, a new generation of innovative and socially responsible entrepreneurs will emerge, contributing to economic growth and societal development.

## **AWARENESS SPEECH**

**Programme Name:** Awareness on TNSI 2022

**Date of the programme:** 14th February 2023

**Venue :** Mookambigai college of Engineering , Keeranur .

Half day awareness programme on Tamil Nadu Student Innovators 2022 by EDII TN Hub SASTRA University Hub, Thanjavurat Mookambigai college of engineering keeranur on 13th February 2029. 100 students took part in the event' Mr.prithivi, student co-ordinator of EDC - Mookambigai college delivered welcome address. G.Pradeep, EDC Faculty Coordinator Mookambigai college of Engineering Inagurated the event.

The Resource person is Mr.Vinoth Malaikani, Incubation scientist, ABIRF, Trichy was taken the session about entrepreneurship with innovative mindset and how current generation students can find the ideas by deal with the

problems'. Also he has mentioned about ideas validation and worth the proof of lean carry as models for idea selection.

Next Mr.Vinoth explained about tdea research at incubation centers and its importance & duties / services of the incubation centers. He has told the incubation centers are one of the pillar of India for startup generation. Finally Mr.Vinoth explained about EDII TN and its services, Hub & spoke model development for student community wealthy in entrepreneurship career and TNSI zone and its registration steps.

Mr.Manikandan.R Assistant Professor, delivered vote of thanks

**Summary:** The half-day awareness program on Tamil Nadu Student Innovators 2022 was conducted at Mookambigai College of Engineering, Keeranur, on 13th February 2022. Organized by EDII TN Hub and Sastra University Hub. The event aimed to enlighten students about entrepreneurship opportunities, idea validation, and the role of incubation centers. Mr. Vinoth Malaikani, an incubation scientist, led the session, covering topics such as innovative mindset, idea validation, and the services provided by EDII TN. The event concluded with a vote of thanks from Mr. Manikandan, an Assistant Professor at Mookambigai College of Engineering.

**Objectives:**

1. **Promote Entrepreneurship Awareness:** The primary objective was to raise awareness among students about entrepreneurship opportunities, particularly the Tamil Nadu Student Innovators 2022 initiative.
2. **Educate on Idea Validation:** The program aimed to educate students on the importance of idea validation and how to use lean canvas models for selecting viable business ideas.

3. **Highlight Incubation Center Role:** Another objective was to highlight the significance of incubation centers in fostering startup generation and providing support services to budding entrepreneurs.
4. **Introduce EDII TN Services:** The program aimed to introduce students to the services offered by EDII TN, including the Hub & spoke model development for enriching the entrepreneurial ecosystem among students.

**Benefits:**

1. **Enhanced Entrepreneurial Awareness:** Participants gained a deeper understanding of entrepreneurship opportunities, empowering them to explore entrepreneurial endeavors.
2. **Improved Idea Selection Skills:** Students learned valuable skills in idea validation and lean canvas modeling, enabling them to assess the feasibility and viability of their business ideas effectively.
3. **Awareness of Incubation Center Support:** Participants became aware of the services and support provided by incubation centers, helping them access resources and guidance for their entrepreneurial ventures.
4. **Access to EDII TN Services:** By learning about EDII TN and its services, students gained access to resources and support for developing their entrepreneurial careers, including registration steps for initiatives like TNSI 2022.

MEETING ABOUT BUSINESS ,FUNDING AND RIGHTS

On 29th March 2023, one-day Entrepreneurship Development Program was organized for club members. The program aimed to empower participants with essential knowledge and skills related to entrepreneurship, focusing on funding opportunities provided by the Government of Tamil Nadu, business plan preparation facilitated by banking institutions, awareness regarding intellectual property rights, and the company registration process.

**Program Objective:**

**Funding Opportunities provided by the Government of Tamil Nadu:**

- The program began with a session dedicated to exploring the funding opportunities available through the Government of Tamil Nadu for aspiring entrepreneurs.
- Expert speakers elaborated on various schemes, grants, and subsidies offered by the government to support startups and small businesses.

- Participants gained insights into the eligibility criteria, application process, and benefits of availing government funding.

### **Business Plan Preparation by Banking Institutions:**

- Following the session on funding opportunities, banking professionals conducted a workshop on business plan preparation.
- Participants learned how to create a comprehensive business plan, including aspects such as market analysis, financial projections, operational strategies, and risk management.
- Practical guidance was provided on structuring business plans to attract potential investors and financial institutions.

### **Intellectual Property Rights - Awareness:**

- Intellectual Property (IP) rights are essential for protecting innovations and creations in business.
- Experts in intellectual property law delivered a session to raise awareness among participants about the importance of safeguarding their intellectual assets.
- Topics covered included patents, trademarks, copyrights, and trade secrets, along with the process of acquiring and enforcing IP rights.

### **Company Registration Process:**

- The final segment of the program focused on the company registration process, a critical step in establishing a business.
- Legal experts provided insights into different business structures, such as sole proprietorship, partnership, limited liability partnership (LLP), and private limited company.
- Participants gained clarity on the procedures, documentation, and compliance requirements involved in registering a company in Tamil Nadu.

### **Benefits:**

- Enhanced Understanding of Funding Opportunities
- Proficient Business Plan Preparation
- Increased Awareness of Intellectual Property Rights
- Clarity on the Company Registration Process

### **Outcome:**

Upon completion of the program, participants are expected to achieve the

### **Following Outcomes:**

1. **Enhanced Knowledge:** Participants gain a deeper understanding of entrepreneurship, funding opportunities, business planning, intellectual property rights, and legal compliance, equipping them with the knowledge necessary to navigate the entrepreneurial landscape effectively.
2. **Improved Skills:** Participants develop practical skills in business planning, financial management, intellectual property protection, and

legal compliance, empowering them to establish and manage their businesses with confidence and competence.

3. **Increased Confidence:** Armed with valuable insights and skills, participants feel more confident in pursuing their entrepreneurial aspirations, knowing they have the necessary resources and support to overcome challenges and achieve success.
4. **Actionable Plans:** Participants leave the program with actionable plans for their entrepreneurial ventures, including strategies for accessing funding, developing business plans, protecting intellectual property, and registering their companies, setting them on the path to entrepreneurial success.

## **Conclusion**

The one-day Entrepreneurship Development Program proved to be highly informative and beneficial for club members interested in pursuing entrepreneurial ventures. Through engaging sessions on funding opportunities, business plan preparation, intellectual property rights, and company registration, participants acquired valuable knowledge and skills to navigate the complexities of entrepreneurship successfully. Moving forward, it is imperative for participants to apply the insights gained from the program to their entrepreneurial endeavors and leverage the resources available to drive innovation and business growth in Tamil Nadu.

## Business Model Canvas

### Key Partners

Partners from  
Brushes,  
RMC, steel  
from good quality  
dealers, vehicles,  
furniture  
carpenters  
electricians.

### Key Activities

Marking,  
excavating,  
foundation, pillar  
concreting, brick  
masonry, roof  
claying, flooring  
and finishing.

### Key Resources

Building materials from quality based dealers.  
"Skilled workers"  
"Highly motivated workers"  
work with

### Value Propositions

"The wonders  
comes true..."  
with less cost  
and high blissful  
living or  
making impossible  
to possible."

### Customer Relationships

By Applying  
new ideas for  
their convenience  
and to attract  
by compact homes  
with cost budget.

### Customer Segments

People who are  
interested with  
modern technology.

### Channels

Through social  
media,  
By the communi-  
-cation  
between people  
through add.  
[Offline, online].

### Cost Structure

### Revenue Streams

Registration fee  
Plan Approval fee,  
Construction fee.  
Furniture fee.

Amount from the Partnership  
with the contract  
b/w people and  
Govt.

Resale the products which  
are more than its enough.

# **ENTREPRENEURSHIP**

**DEVELOPMENT & INNOVATION CLUB**

**Design Thinking**

**Workshop @**

**SASTRA**

**EDII-TN**

**07/08-11-2022**

Workshop meeting room

**Date:** 7th November to 8th November 2022

**Venue:** SASTRA University, Thanjavur, Tamil Nadu

**Organizers:** Entrepreneurship Development & Innovation Institute, Government of Tamil Nadu (EDII) & IEDP EDII Hub @ SASTRA University

**Participants:** Entrepreneurs, Innovators, Design Thinkers, and Experts from Biomedical, IoT, Software, etc.

**Objective:** The two-day Design Thinking Workshop, jointly organized by the Entrepreneurship Development & Innovation Institute (EDII) and the IEDP EDII Hub @ SASTRA University, aimed to foster entrepreneurship development and drive innovation across various sectors, including Biomedical, IoT, Software, among others. The workshop aimed to impart design thinking principles and methodologies to equip participants with the skills necessary to tackle complex challenges and generate innovative solutions.

**Day 1: 7th November 2022**

1. **Introduction to Design Thinking:**

- Overview of design thinking principles, emphasizing the importance of user empathy, ideation, and prototyping in the innovation process.
- Discussion on the relevance of design thinking in entrepreneurship and problem-solving.

## 2. User Empathy and Needs Identification:

- Interactive sessions on conducting empathy interviews and observation techniques to gain insights into user needs across diverse sectors.
- Group activities to identify key pain points and opportunities based on user research.

## 3. Ideation and Opportunity Exploration:

- Brainstorming sessions to generate innovative ideas for addressing identified user needs and challenges.
- Techniques for divergent and convergent thinking to explore a wide range of solutions.

Pitching our idea after ideation workshop

## Day 2: 8th November 2022

### 4. Prototyping and Iteration:

- Hands-on prototyping workshops to translate ideas into tangible prototypes using low-fidelity materials.

- Feedback and iteration loops to refine prototypes based on user insights and testing.

#### 5. **Visit to Incubation Center:**

- Guided tour of the incubation center at SASTRA University, providing participants with exposure to the facilities, resources, and support services available for startups and innovators.
- Networking opportunities with resident entrepreneurs, mentors, and industry experts.

#### 6. **Pitch Development and Presentation Skills:**

- Training on crafting persuasive pitches to effectively communicate the value proposition, market opportunity, and scalability of innovative solutions.
- Presentation skills workshops to enhance participants' ability to deliver pitches with confidence and clarity.

Visit to AR/VR incubation centre

#### **Key Outcomes:**

- **Enhanced Problem-Solving Abilities:** Participants developed a deeper understanding of human-centered design thinking methodologies, enabling them to approach challenges with empathy and creativity.
- **Innovative Solution Concepts:** The workshop generated a multitude of innovative solution concepts spanning various sectors, including Biomedical, IoT, and Software, reflecting the diverse expertise and creativity of the participants.

- **Prototype Development:** Participants successfully translated their ideas into tangible prototypes, leveraging rapid prototyping techniques and incorporating user feedback for iterative improvement.
- **Incubation Center Exposure:** The visit to the incubation center provided participants with valuable insights into the startup ecosystem, fostering a better understanding of the support mechanisms available for entrepreneurial ventures.

**Conclusion:** The two-day Design Thinking Workshop conducted at SASTRA University, in collaboration with the Entrepreneurship Development & Innovation Institute (EDII), served as a platform for nurturing entrepreneurship and driving innovation in the region. By instilling design thinking principles and facilitating hands-on activities, the workshop empowered participants to ideate, prototype, and pitch innovative solutions with the potential to address real-world challenges.

This report encapsulates the highlights and outcomes of the Design Thinking Workshop, reflecting the collective efforts and commitment towards fostering entrepreneurship and innovation in Tamil Nadu.

FOSTERING ENTREPRENEURSHIP

1998-2023

The Faculty Development Program on Entrepreneurship, held in Coimbatore from January 30 to February 11, 2023, aimed to empower educators

with the necessary skills and knowledge to foster entrepreneurship among students and promote an entrepreneurial culture within educational institutions.

**Objectives:**

- To enhance educators' understanding of entrepreneurial competencies.
- To facilitate the identification of business opportunities and stimulate creativity and idea generation.
- To build teams and explore various sources of funding for innovation and startup ventures.
- To cultivate an entrepreneurial mindset among faculty members.
- To provide guidance on company incorporation formalities and enterprise creation.
- To equip educators with effective mind management techniques.
- To develop skills in the art of student mentoring.

**Benefits:**

- **Enhanced Competencies:** Educators gained a deeper understanding of entrepreneurial competencies, enabling them to effectively impart these skills to students.
- **Stimulated Creativity:** Sessions on business opportunity identification and creativity sparked innovative thinking among participants, encouraging them to generate novel ideas.
- **Improved Team Dynamics:** Educators learned strategies for building cohesive teams, essential for successful entrepreneurial endeavors.
- **Increased Funding Knowledge:** Participants explored various sources of funding for startups, empowering them to guide students in securing financial support for their ventures.
- **Cultivated Mindset:** Facilitation of an entrepreneurial mindset instilled participants with the resilience and determination needed to overcome challenges in the entrepreneurial journey.
- **Practical Guidance:** Guidance on company incorporation formalities provided practical insights into the legal aspects of starting a business.

- **Effective Mentoring:** Educators honed their mentoring skills, enabling them to provide valuable guidance and support to aspiring student entrepreneurs.

## Event schedule

### Usefulness of Each Event:

- **Entrepreneurial Competencies :** Participants gained an understanding of the key competencies required for entrepreneurial success, laying the foundation for the subsequent sessions.
- **Business Opportunity Identification & Creativity:** Educators learned techniques for identifying viable business opportunities and fostering creativity, essential for developing innovative solutions.
- **Team Building & Source of Funding:** Sessions focused on team building and funding sources equipped participants with practical strategies for assembling effective teams and securing financial backing for startup ventures.
- **Facilitating an Entrepreneurial Mindset:** Participants were guided in cultivating an entrepreneurial mindset, essential for navigating the challenges of entrepreneurship with resilience and adaptability.

- **Company Incorporation Formalities & Enterprise Creation:** Practical guidance on company incorporation formalities provided participants with the knowledge needed to establish legal entities for their ventures.
- **Mind Management:** Educators learned effective mind management techniques to maintain focus, resilience, and mental well-being amidst the pressures of entrepreneurship.
- **Art of Student Mentoring:** Participants developed mentoring skills to provide valuable guidance and support to aspiring student entrepreneurs, nurturing their growth and development.

In conclusion, the Faculty Development Program on Entrepreneurship, supported by NSTEDB and organized by PSG, provided educators with a comprehensive toolkit for fostering entrepreneurship among students and promoting an entrepreneurial ecosystem within educational institutions, thereby contributing to socio-economic development.

TALKATHON - EDC

Faculty

Coordinators Meet

**11-10-2023**

## **Report: Talkathon - EDC Faculty Coordinators Meet**

**Date:** 11th October, 2023

**Venue:** Anna University, Chennai - 600025

### **Introduction:**

On 11th October, 2023, Anna University in Chennai hosted the "Talkathon - EDC Faculty Coordinators Meet," bringing together faculty coordinators of Entrepreneurship Development Clubs (EDCs) from various institutions. The objective of the event was to facilitate collaboration, share best practices, and discuss strategies for fostering entrepreneurship among students.

### **Agenda:**

- Welcome Address
- Keynote Speech: Fostering Entrepreneurial Ecosystems in Educational Institutions
- Experience Sharing Sessions by EDC Faculty Coordinators
- Workshop: Building Effective Entrepreneurship Programs on Campus

- Panel Discussion: Overcoming Challenges in Running EDCs
- Networking Session
- Closing Remarks

**Report:**

The event commenced with a warm welcome address, setting a positive atmosphere for the day ahead. A keynote speech was delivered by Dr. [Insert Name], highlighting the significance of creating conducive environments for entrepreneurship within educational institutions and the pivotal role of EDCs in achieving this goal.

Experience sharing sessions followed, where EDC faculty coordinators showcased their innovative initiatives, successes, and challenges. Presentations covered a wide range of topics, including student engagement strategies, successful events, and collaborative projects, inspiring attendees with practical insights.

A workshop on building effective entrepreneurship programs was conducted, providing participants with actionable strategies for designing, implementing, and evaluating EDC activities. Led by [Insert Facilitator's Name], the workshop delved into curriculum integration, mentorship programs, and industry partnerships.

A panel discussion featuring experienced EDC faculty coordinators addressed common challenges encountered in running EDCs. Topics such as funding, student involvement, and faculty engagement were discussed, with panelists offering valuable advice and solutions based on their experiences.

The networking session provided a platform for EDC faculty coordinators to connect, exchange ideas, and explore potential collaborations. Participants engaged in vibrant discussions, sharing plans for future joint initiatives aimed at enhancing entrepreneurship education.

**Conclusion:**

The "Talkathon - EDC Faculty Coordinators Meet" at Anna University concluded on a highly productive note. Participants expressed gratitude for the opportunity to network, gain insights, and brainstorm ideas for promoting entrepreneurship on their campuses. The event served as a catalyst for collaboration and innovation, empowering EDC faculty coordinators to continue their efforts in nurturing the entrepreneurial spirit among students.
