Red Ribbon Clubs have become a powerful medium to reach out to young people. Spearheaded by the Tamil Nadu State AIDS Control Society (TNSACS), this programme is supported by the Higher Education Department and demonstrating the importance of inter-sector collaboration to address the issue of HIV / AIDS. RRC empower students in the age group of 17-25, by giving them information and life-skills to protect themselves from HIV/AIDS and changing the most active among them into peer educators.

Objectives

- To induce among youth the spirit to help and support people living with HIV/AIDS thereby reduces stigma and discrimination against PLHIVs.
- To motivate youth and build their capacity as peer educators and change agents by developing their skills on leadership, negotiation, and team building.
