The Consumer Club of Mookambigai College of Engineering was started in the year 2023-24), under the guidance of the parent organization, the club aims at bringing about changes in the lives of the less fortunate. The club conducts various projects in the fields of awareness ,elders, children, awareness in purchasing products, literacy and education. The club aims at developing leadership qualities and inspiring young minds to take up awareness service.

CONSUMER CLUB - TENTATIVE PLANS(2023-24)

Mission

□ To enable students to understand the fundamental rights of the citizen and make them realize and

learn the fundamental duties of a good citizen.

□ To inject knowledge and skills relating to consumer rights among our college students and to impart

knowledge on product standards, product quality and about markets.

□ To make them aware of laws enacted for the protection/welfare of consumers and enforcement

authorities concerned.

□ To build a base of enlightened citizen consumer as the foundation of future India

□ Bring awareness and realization about duties and responsibilities as Citizen of India

Vision:

CITIZEN CONSUMER CLUB

Investing in students and making them learn to handle various life situations will help them evolve as enlightened and honest citizens in the future. Teaching students to become responsible citizens, who carry out their fundamental duties as citizens without being told and questioned, if their rights are infringed, is the club's common goal.

The Citizen Consumer Club works on the motivational zeal of consumer groups and on the case of creating awareness among the students at a very young age and through them the general public learns.

Objectives

- Provides learning on knowledge, attitude and skills needed to make a person a better customer.
- Orients the students to consume products and services with an ethical and environmental conscience.
- Helps the students to know their rights and duties while consuming the products and services.

Motto

“Aware! Alert! Act!”
